Support for Families

Hi [REDACTED]

I am writing to you to show my support for the fantastic charity Support for Families in their bid to take ownership of the Family Hub at Cornton. These premises would be ideal for this amazing charity, their present premises have no disabled access or parking, which I'm sure you'll understand is not ideal or indeed practical. This location would be ideal as you also have a secure garden and parking which would benefit all the different clients who would use the hub.

Thank you
