Subject: Cornton Family Hub Asset Transfer

Dear [REDACTED]

I am just getting in touch regarding the potential Asset Transfer of the 'Family Hub' at Cornton Vale in Stirling.

I understand that two organisations, PLUS Forth Valley and Support 4 Families, are in discussions to acquire the hub via an asset transfer.

I have worked with both organisations and families that have been engaged in their provision and would be fully supportive of either organisation's bids. Both organisations provide vital support to a wide range of families in need who would otherwise struggle without their input.

I hope this is helpful.

Kind regards,

[REDACTED]
