Dear [REDACTED]

I would like to express my support for Plus' bid to take over this accommodation.

My daughter attends Plus on a regular basis. As someone with complex needs , her social opportunities are very limited in comparison with her mainstream peers . Plus provides a safe , inclusive environment for her to enjoy various activities and she constantly asks when her next Plus event will be !

As with many families , many of whom have children with very challenging behaviour, Plus sessions provide respite for the family and also allow me to spend 121 time with my other daughter.

Kind regards
