Subject: Letter of Support for Community Asset Transfer – Former Family Hub at Cornton Vale

Dear [REDACTED]

I am writing to express my wholehearted support for the charity Support for Families and their endeavour to acquire the former family hub at Cornton Vale through a community asset transfer.

Support for Families has been instrumental in providing crucial services to parents, children, kinship carers, and the broader community affected by the impact of someone else's drug or alcohol use. Their unwavering commitment to fostering a supportive environment and addressing the challenges faced by families in these circumstances is commendable.

I firmly believe that transferring ownership to Support for Families will ensure the continuity and enhancement of their vital work. The prospect of the charity taking ownership aligns seamlessly with the values of community welfare and empowerment.

I have witnessed firsthand the positive impact of Support for Families, and I am confident that entrusting them with the former family hub will only amplify their ability to make a meaningful difference in the lives of those grappling with the consequences of substance abuse.

I urge you to consider the invaluable contributions that Support for Families has made and will continue to make within our community. Granting them ownership of the Cornton Vale property through the community asset transfer will undoubtedly foster positive change and strengthen the fabric of our community.

Thank you for your time and consideration. I wholeheartedly support the transfer of ownership to Support for Families and believe it will be a transformative step towards a brighter future for all.

Sincerely,

[REDACTED]
