Good Afternoon,

I believe you are collating information to help in making the decision on which organisation to sell your Family Hub to. I wanted to email my support for Plus Forth Valley's offer.

I have a 15 year old son with ASD who was, to put it bluntly, struggling so much with his mental health, that he was suicidal. I, obviously, did everything I could to help, including reaching out to Plus - [REDACTED] [REDACTED] has been wonderful. My son now attends a social club run by Plus and is supported doing so. I cannot express just how much of a difference this has made in his life - it is literally the only social activity he attends and he would be devastated to lose it. He is now building himself back up and sees a much brighter future ahead of him. It may sound trite, but Plus literally saved us as a family.

Please give Plus every consideration when making your decision.

I believe you need my details - [REDACTED]

Kind Regards,
