Cornton Family Hub

Dear [REDACTED]

Please choose Plus Forth Valley to be the tenant in your new Cornton Family Hub.

I am asking for this because of my grandson and the many youngsters in the same position as he is. He has multiple needs: SCN2A, autism and learning disabilities. Plus has been invaluable in enriching his life. Those who work there are exceptional. However, the premises are not good. Your new premises would be wonderful. They would allow even more children and their families to benefit from the superb organisation that Plus is. They would allow Plus to increase the help that they are now giving to the children in their care.

I have seen the help and support that my grandson and his family have received from Plus. I dread to think of their lives without this. It is so difficult for them but Plus gives respite to the family and so much pleasure to my grandson. Please help them and many others by choosing Plus as your partner in Cornton Family Hub.

Thanks for taking the time to read this email.

Best Regards,
