PLUS Forth Valley

I worked at PLUS Forth Valley for 3 years and within that time, I got to not only see but to be involved in genuinely life changing projects. The support PLUS provides to young people with disabilities and their families is invaluable. They provide opportunities for social experiences and development for some of the most vulnerable people in the community. At the same time they provide families with piece of mind and well needed respite. Having use of this new building would allow PLUS to continue their important work, enhancing inclusion in the Forth Valley community. I hope you take this into consideration when you make your decision

Many thanks,

Kind regards,
