Good evening,

I hope this email finds you well.

I am getting in touch regarding a charity that I know well, PLUS, buying the Cornton Hub.

I have known many people who have worked with PLUS throughout their time at University. The charity embarks on an incredible mission, which I am genuinely proud to see my friends, and wife, work together to deliver across the Forth Valley area.

Having researched the Cornton Hub and looked into the requirements that PLUS are currently searching for, this building would be an incredible blessing to the charity, its workers, the service users, and the community.

Stirling has been undergoing renovations city-wide, which is tremendous to see. However, Cornton as an area often gets overlooked and therefore is underfunded. To invite a charity with such a drive as PLUS has, to the Cornton Community, I believe will cause a ripple effect of prospects and promise, breaking present socioeconomic barriers, right on people's doorstep.

I do understand that the work that PLUS does is invaluable, and this short email cannot scratch the surface of what incredible works the charity provides. Though should PLUS gain the Cornton Hub as their new home, the area would be gaining a real gem of a charity.

Take care,
