**Subject:** 'Family hub' Recommendation for Plus Forthvalley

Dear [REDACTED]

My name is [REDACTED] [REDACTED] and I current stay at [REDACTED] I am a member of the Plus team and I have been working for plus for almost 2 years.

It would be very much appreciated from all the Plus team and most importantly from all the young people that Plus supports to consider our organisation in regards to purchasing the Family hub building.

Plus means a lot to so many people, most of the people we support have been attending plus for years and through their attendance they have been offered various opportunities to live a happy full filling life that otherwise they wouldn't be able to. Meaningful relationships have been created during their attendance and plus is the place where all of them go to socialise with each other and learn important life skills. Unfortunately, for most of the young people there are not many place in our community that they can access and have the chance to live full filling lives. Examples of some of the activities that take place in our current building are ASC's, Baking/cooking sessions, Volunteering, Life skill sessions, game nights, sensory play etc.

I really hope you will consider my email of recommendation in your decision!

Kind Regards,  
[REDACTED]
