To whom this may concern,

I am writing this letter to wholeheartedly endorse the request for an asset transfer submitted by PLUS Forthvalley. Having been an employee within the organisation for two and a half years, I have had the privilege of witnessing the impactful work that PLUS Forthvalley undertakes in providing essential opportunities for children and adults with disabilities.

PLUS Forthvalley has been a steadfast provider of after-school clubs, personalised 1-to-1 support, and adult groups, catering to the unique needs of individuals facing disabilities. The organisation's commitment to fostering an inclusive environment and creating a positive impact on the lives of its beneficiaries is truly commendable.

In my capacity as an employee, I have witnessed firsthand the transformative effects of PLUS Forthvalley's programs. One noteworthy aspect is the way PLUS Forthvalley integrates its beneficiaries with the broader community. The organization not only fosters a sense of belonging but actively engages young people with disabilities in exploring local businesses, including cafes, restaurants, libraries, and activity centres, amongst other establishments.

This unique approach has far-reaching benefits for both the individuals served by PLUS Forthvalley and the community at large. By providing opportunities for young people to interact with local businesses, PLUS Forthvalley not only enhances young people social skills and independence but also contributes to the creation of a more inclusive community. This exposure enables these individuals to explore and participate in various aspects of community life, fostering a sense of belonging and acceptance. The demand for PLUS Forthvalley's services is evident, and the organization has consistently demonstrated its dedication to meeting this demand with compassion and professionalism. The need for these services is undeniable, and the positive impact on the community is immeasurable.

I am confident that any asset transfer granted to PLUS Forthvalley will be utilized judiciously to further enhance and expand their essential services. Supporting PLUS Forthvalley in this endeavor aligns with the broader goal of promoting inclusivity and well-being within our community.

In conclusion, I could not recommend the approval of the asset transfer requested by PLUS Forthvalley enough. Your support will undoubtedly contribute to the continued success and positive impact that PLUS Forthvalley has on the lives of children and adults with disabilities, as well as their families.

Thank you for considering this recommendation.

Sincerely,
